SPEED, SENSES, & CONDITIONS

Creature Type. Humanoid. You are also considered a goblinoid for any prerequisite or effect that requires you to be a goblinoid.

Fey Ancestry. You have advantage on saving throws you make to avoid or end the charmed condition on yourself.

Long Limbed. When you make a melee attack on your turn, your reach for it is 5 feet greater than normal.

Powerful Build. You count as one size larger when determining your carrying capacity and the weight you can push, drag, or lift.

Sneaky. Without squeezing, you can move through and stop in a space large enough for a Small creature.

Surprise Attack. If you hit a creature with an attack roll, the creature takes an extra 2d6 damage if it hasn't taken a turn yet in the current combat.

ATTACKS & SPELLCASTING

Darkvision. You can see in dim light within 90 feet of you as if it were bright light, and in darkness as if it were dim light.

Crossbow Expert. You ignore the loading quality of crossbows with which you are proficient. Being within 5 feet of a hostile creature doesn't impose disadvantage on your ranged attack rolls. When you use the Attack action and attack with a one-handed weapon, you can use a bonus action to attack with a hand crossbow you are holding.

Favored Foe (3/Long Rest). When you hit a creature with an attack roll, you can mark the target as your favored enemy for 1 minute or until you lose your concentration (as if you were concentrating on a spell). The first time on each of your turns that you hit the favored enemy and deal damage to it, including when you mark it, you can increase that damage by 1d6.

Fighting Style.

Archery. You gain a +2 bonus to attack rolls you make with ranged weapons.

Primeval Awareness (Action). You can expend one ranger spell slot to focus your awareness on the region around you. For 1 minute per level of the spell slot you expend, you can sense whether the following types of creatures are present within 1 mile of you (or within up to 6 miles if you are in your favored terrain): aberrations, celestials, dragons, elementals, fey, fiends, and undead. This feature doesn't reveal the creatures' location or number.

Extra Attack. You can attack twice, instead of once, whenever you take the Attack action on your turn.

Dread Ambusher. At the start of your first turn, your walking speed increases by 10ft until the end of that turn. If you attack that turn, make one additional weapon attack. If it hits, the target takes an extra 1d8 damage.

Umbral Sight. While in darkness, you are invisible to any creature that relies on darkvision to see you in that darkness.

FEATURES & TRAITS

Armor Proficiencies. Light Armor, Medium Armor, Shields

Weapon Proficiencies. Simple Weapons, Martial Weapons

Tool Proficiencies. Disguise kit, Forgery kit

NAME

SYMBOL

Glummi on kaikkien kylälaisten rakastama ihminen, joka haluaa ihmiskunnalle kaikkea parasta ja eritoten parempaa kuin muille roduille. Ja muista roduista, eritoten lörppähuuli-bugbeareja parempaa.

Minä vihaan bugbeareja. Minä vihaan niiden lörppähuulia, minä vihaan niiden aggressiivista käytöstä, minä vihaan bugbeareja niiden helvetin jatkuvan jytämusiikin ja blip blap bix nood goblinoidikielen takia. Minä vihaan bugbeareja sen takia että ne ei tee mitään muuta kuin TUHLAA happea ja ruokaa joka voisi mennä ihmisiin, lappamalla ruokaa niiden iljettäviin kitoihin ja hengittämällä niiden likaisilla keuhkoilla. En ole koskaan nähnyt bugbearia töissä. Sieluni särkyy joka kerta kun näen bugbearin tanssittamassa jotain ihmisPRINSESSAA yöklubin tanssilattialla. Voi ristus että minä vihaan bugbeareja.

PERSONALITY TRAITS

Antaisin sieluni ja kehoni jos mikään taho maailmassa voisi poistaa nämä helvetin oliot maan päältä.

IDEAL

Minä rakastan ihmisiä yli kaiken. Ihmisissä elää kaikki hyvä maailmassa. Ihmiset ovat ylivoimaisesti paras rotu koko valtakunnassa.

BOND

(Tämä kyseinen bugbear vaikuttaisi olevan hieman sekavassa tilassa. Useat tutkijat ovat havainneet että kohde puhuu yksin omassa kodissaan, kiroten bugbeareja jokaisella hengenvedolla.)

FLAW

Secret Identity

You have created a secret identity that you use to conceal your true race and that offers a covering explanation for your presence. In addition, you can forge documents, including official papers and personal letters, as long as you have seen an example of the kind of document or the handwriting you are trying to copy.

Disguise Self

1st-level illusion

CASTING TIME	1 action
RANGE	Self
DURATION	1 hour
COMPONENTS	V, S

You make yourself—including your clothing, armor, weapons, and other belongings on your person—look different until the spell ends or until you use your action to dismiss it. You can seem 1 foot shorter or taller and can appear thin, fat, or in between. You can't change your body type, so you must adopt a form that has the same basic arrangement of limbs. Otherwise, the extent of the illusion is up to you.

The changes wrought by this spell fail to hold up to physical inspection. For example, if you use this spell to add a hat to your outfit, objects pass through the hat, and anyone who touches it would feel nothing or would feel your head and hair. If you use this spell to appear thinner than you are, the hand of someone who reaches out to touch you would bump into you while it was seemingly still in midair.

To discern that you are disguised, a creature can use its action to inspect your appearance and must succeed on an Intelligence (Investigation) check against your spell save DC.

Gloom Stalker Magic (Ranger)

Player's Handbook

Goodberry

1st-level transmutation

CASTING TIME	1 action
RANGE	Touch
DURATION	Instantaneous
COMPONENTS	V, S, M (a sprig of mistletoe)

Up to ten berries appear in your hand and are infused with magic for the duration. A creature can use its action to eat one berry. Eating a berry restores 1 hit point, and the berry provides enough nourishment to sustain a creature for one day.

The berries lose their potency if they have not been consumed within 24 hours of the casting of this spell.

Spellcasting (Ranger)

Player's Handbook

Hunter's Mark

1st-level divination

CASTING TIME	1 bonus action
RANGE	90 feet
DURATION	Concentration, up to 1 hour
COMPONENTS	V

You choose a creature you can see within range and mystically mark it as your quarry. Until the spell ends, you deal an extra 1d6 damage to the target whenever you hit it with a weapon attack, and you have advantage on any Wisdom (Perception) or Wisdom (Survival) check you make to find it. If the target drops to 0 hit points before this spell ends, you can use a bonus action on a subsequent turn of yours to mark a new creature.

At Higher Levels. When you cast this spell using a spell slot of 3rd or 4th level, you can maintain your concentration on the spell for up to 8 hours. When you use a spell slot of 5th level or higher, you can maintain your concentration on the spell for up to 24 hours.

Spellcasting (Ranger)

Player's Handbook

Lesser Restoration

2nd-level abjuration

CASTING TIME	1 action
RANGE	Touch
DURATION	Instantaneous
COMPONENTS	V, S

You touch a creature and can end either one disease or one condition afflicting it. The condition can be blinded, deafened, paralyzed, or poisoned.

Spellcasting (Ranger)

Player's Handbook

Pass without Trace

2nd-level abjuration

CASTING TIME	1 action
RANGE	Self
DURATION	Concentration, up to 1 hour
COMPONENTS	V, S, M (ashes from a burned leaf of mistletoe and a sprig of spruce)

A veil of shadows and silence radiates from you, masking you and your companions from detection. For the duration, each creature you choose within 30 feet of you (including you) has a +10 bonus to Dexterity (Stealth) checks and can't be tracked except by magical means. A creature that receives this bonus leaves behind no tracks or other traces of its passage.

Spellcasting (Ranger)

Player's Handbook

Rope Trick

2nd-level transmutation

CASTING TIME	1 action
RANGE	Touch
DURATION	1 hour
COMPONENTS	V, S, M (powdered corn extract and a twisted loop of parchment)

You touch a length of rope that is up to 60 feet long. One end of the rope then rises into the air until the whole rope hangs perpendicular to the ground. At the upper end of the rope, an invisible entrance opens to an extradimensional space that lasts until the spell ends.

The extradimensional space can be reached by climbing to the top of the rope. The space can hold as many as eight Medium or smaller creatures. The rope can be pulled into the space, making the rope disappear from view outside the space.

Attacks and spells can't cross through the entrance into or out of the extradimensional space, but those inside can see out of it as if through a 3-foot-by-5-foot window centered on the rope.

Anything inside the extradimensional space drops out when the spell ends.

Gloom Stalker Magic (Ranger)

Player's Handbook

Silence

2nd-level illusion (ritual)

CASTING TIME	1 action
RANGE	120 feet
DURATION	Concentration, up to 10 minutes
COMPONENTS	V, S

For the duration, no sound can be created within or pass through a 20-foot-radius sphere centered on a point you choose within range. Any creature or object entirely inside the sphere is immune to thunder damage, and creatures are deafened while entirely inside it. Casting a spell that includes a verbal component is impossible there.
